---

### Notes:

1. Tuition Effective Aug 1, 2009 \$140.00/semester hour  
Student Fees \$200.00/term  
Microscope Fee \$200.00/term in use
2. Tuition and student/microscope fees are the same for both in-state and out-of-state students.
3. Students attempting to budget for program expenses can request an estimate of supply costs.
4. A list of required textbooks will be mailed to each student when they enter the program. Students are responsible for purchase of their own textbooks.
5. The non-refundable Tuition Deposit will be subtracted from tuition billing where applicable.
6. Charges are subject to change at the beginning of each school year.
